June 5, 2009

Dear Customer:

CITGO Petroleum Corporation will be advancing off-list prices on aliphatic products, Toluene, and Xylene effective June 20, 2009.

The following products will increase three cents per pound:

Rubber Solvent	Lactol 2300
Camping Fuel	Regular Mineral Spirits
Textile Spirits	Mineral Spirits 75
Hexane	Mineral Spirits 66/3
Heptane	142 Solvent 66/3
Special Lactolite	170 Solvent 66/3
Special Naphtholite 66/3 (VM&P)	Mineral Spirits 150 66/3
Naphthol Spirits 66/3	All blends containing these products
Mineral Seal Oil	

Toluene will increase four cents per pound:

Xylene will increase two cents per pound.

The continuing escalation of energy prices has significantly impacted feedstock costs for these products. These increases are required to partially offset these costs.

Your CITGO account manager will contact you with specific information.

Sincerely,

Douglas G. Lawrence
