Acetone Price Change Announcement

Effective March 1, 2009 or as contracts allow, Shell Chemical LP will increase the selling price of acetone by five cents per pound (USD 0.05/lb) FOB Deer Park, Texas.

Acetone shipments will be limited to contractual levels for the balance of February 2009.

Should you have any questions concerning this announcement, please contact your Shell Sales Executive.

Sincerely,

A handwritten signature in blue ink, appearing to read "Russ Herman", written over a light blue rectangular background.
